

By now, all registered parishioners should have received the summer issue of the John XXIII newsletter. We publish this newsletter four times a year. It is intended to be a source of information (in addition to the parish bulletin, website, etc.) to keep parishioners up to date on current events at John XXIII, as well as a spiritually uplifting publication. The Newsletter Team would really appreciate your feedback so that we can continue to provide you with a newsletter that is valuable and relevant to all parishioners.
